Inspiring Women

Iceland, the world's most gender-equal country, went on a 'kvennafri'—a women's day off—demanding equal pay and against gender-based violence.

IS G20 THE ANSWER TO MITIGATING CONFLICT AND FOSTERING GLOBAL PEACE?

The year 2023 saw the G20 conference being held with great political fervor and enthusiasm. In light of the shortcomings of the UN to maintain peace, the forum has emerged as a beacon of hope that would ultimately lead humanity to a peaceful planet. However, is there any truth to this? Listen to find out why or why not.

PROS AND CONS OF SOCIAL MEDIA

Social media affects how kids play and spend their time. Some children end up using a lot of time scrolling through videos and pictures, which might not be the best use of their time. Even in rural areas, people are getting caught up in watching short videos and other content.

On the positive side, for some, social media helps connect with people worldwide and provides opportunities. So, while it can be a fun way to connect, it's important to balance it with other activities and be mindful of how much time is spent online.

Purpose: To create a sisterhood of talented women who reflect a collective effort of voices actively rewriting narratives that challenge gender stereotypes and promote gender equality.

Mission: Our aim is to break the barriers of gender inequality, where by women actively participate in shaping the world and making strides globally. Word by word, article by article and challenge by challenge.
